Volume 6, Issue 18

January 18, 2017

Last week, Borum's Brainiacs tackled a challenging real world problem to review their area and perimeter study. The scholars looked at the plans for an upcoming remodel McDonald's is doing. The scholars looked at the picture of what the McDonald's looks like now and then studied the new design and floor plans for construction. The scholars had to use the floor plans to determine if the customer areas had a larger area than the employee areas. They also discussed what an engineer does and how they use the math the Brainiacs had just learned in their jobs. The problem took the Brainiacs two days to complete!

## ATTENTION

**Please make note of our new phone number. It is (904)-336-3175. You can start using this number immediately. Remember, if you call a teacher during class time, it will go straight to voicemail.**

## Character Traits

The Character trait for January and February is Optimism. Optimism means going through life with hope and confidence about the future. So scholars, if you have a test coming up, instead of giving up, you can study and encourage yourself that you can do it.

Our Box Tops winners for September through November are Mrs. Hagen in September, Ms. Kicklighter in October, and Mrs. Carver in November. Congratulations to those classes for their support of the Box Tops program! Remember, please put your teacher's name on your Box Tops so your class has a chance to win.

## Library News

Come checkout the new books! The library has added almost 200 new books since Christmas. We have graphic novels, narrative non fiction, books on animals, sunshine state award winning books and much much more. We look forward to seeing you!

**Congratulations to our All County Chorus members. They are Alyssa Davis, Angelina Rosario, Emma Kilpatrick, Kimberly Martel, Kallia Cruz, Andrew Dickerson, Peyton Hudson, Paige Hudson, and Jade Infanzon. They will be performing a concert on January 27th, at the Thrasher Horne Center.**
