Celebrate Literacy Week

Last week was Celebrate Literacy Week at our school and we celebrated in many ways. For Fitness Friday, the resource teachers had us bring in our favorite books and read for that timeframe. Also, Mrs. Scotta's first grade and Mrs. Kiser's 3rd grade classes had reading buddies. They read their books and discussed them with their buddies. Fourth grade had adult guests going around and reading books to them. "It's always good to read a book for their is no friend as loyal as a book." - Ernest Hemingway

Policy of Nondiscrimination

"Non-discrimination and diversity are foundation principles of the School Board. It is School Board policy to hire and promote the best qualified candidate measured against the requirements of the job and to provide equal employment and advancement opportunity for all individuals without discrimination because of race, color, gender, religion, age, national origin, disability, veteran marital status or any other protected status, and provides equal access to the Boy Scouts and other designated patriotic groups."

Character Traits

The Character trait for January and February is Optimism. Optimism means going through life with hope and confidence about the future. So scholars, if you have a test coming up, instead of giving up, you can study and encourage yourself that you can do it.

As a reminder, Page 40 of the 2016-2017 Student Code of Conduct states:

From time to time, students have the opportunity to be recorded, photographed, or display artwork. Some of these recordings, photographs, schoolwork or artwork may be archived, included in the local news, on the school's CCTV or web page, and may eventually air on the School District of Clay County educational channel or be used at local, state or national conferences. If you have an objection to your student's work or name being used for any of the above purposes, or if you object to photographs or recordings of your student being used, you must notify the school of your objection, in writing, within 48 hours of your receipt of this information. For your information, if your student is an exceptional education student, your explicit, written permission will be obtained prior to any media release which identifies your student by name, along with his exceptionality or exceptional placement designation.
